Photo License Disclaimer: Getty Images and iStock Photos

The image assets delivered along with this press release from Getty Images and iStock are only to be used for editorial purposes in correlation with the provided story. If planning to use these images for anything outside of or relating to this press kit, you will need to contact Getty Images to purchase a license for a separate use. Using these images outside of the press kit for another project unrelated to ERVA, without a valid license, could result in a copyright claim from the photographer in which all liability and associated fees would be your responsibility.
